17th MARCH 2006

Per G.S.Singhvi, C.J.

This is a petition for issuance of a writ in the nature of mandamus to implement policy of rehabilitation and re-settlement framed by the Government, which was circulated by G.O.Ms.No.68, Irrigation & CAD Department, dated 8-4-2005.

At the commencement of arguments, we asked Sri M.V. Rajaram, learned counsel for the petitioner, whether his client made any representation after 13-12-2005 complaining against non-implementation of the policy of rehabilitation and re-settlement. In reply, Sri Rajaram fairly stated that his client has not made such representation and made a request that he may be permitted to withdraw this petition with liberty to the petitioner to make representation to the competent authority for implementation of the rehabilitation policy framed by the Government with further liberty to file fresh petition, if his grievance is not remedied within a reasonable time.

The request of Sri Rajaram is accepted and the writ petition is dismissed as withdrawn with liberty in terms of the prayer made.

While disposing of the writ petition in the manner indicated above, we hope and trust that the representation, if any made by the petitioner will be attended to, considered and disposed of by the competent authority within a maximum period of two months by passing a speaking order.
